

## WEDDING WEEKEND FAQ

A Camp Wedding is a truly beautiful experience and we are pleased to be able to offer Camp Susan Curtis on Trout Lake in Stoneham, Maine as a potential location. As an independent non-profit, all proceeds from your event support our mission.

### **What weekends are available for weddings?**

We are able to host weddings in September and early October.

### **What is the cost for a Wedding Weekend?**

\$6,500 includes lodging and private use of Camp Susan Curtis from Thursday-Sunday. Please review the attached price sheet for specific costs and shorter term options.

### **What happens in the case of extreme weather?**

If you are planning to have the ceremony and/or reception outside, we will help you find the appropriate inside space and plan ahead of time, just in case.

### **What type of lodging is available for the bride & groom and guests?**

We have 13 cabins available with electricity, full bathrooms and 10-15 bunk beds. There is no heat or linen service. Other cabins may be available.

### **If I am hiring caterers, what space is available to them?**

You will have use of our commercial kitchen. This includes walk-in coolers, stoves, preparation space, pots, pans, dishes, etc. It does not include the flat-top grill. Ideally, we would like you to hire our Food Service Manager who also caters. If you choose not to, an additional \$250 charge will be incurred.

### **Can I have a band or a DJ?**

Of course! We do ask that music ends for the evening by midnight.

### **Can we serve alcohol?**

Yes, you can. We do ask that you stick with beer and wine.

### **Can we smoke?**

Yes, you can. We do ask that you stay in the designated area. As we are a Tobacco Free Campus we offer you this as a courtesy. Marijuana is not permitted.

### **Do we need insurance coverage?**

Yes, you will need insurance coverage that states that Camp Susan Curtis is an additional insured of up to \$1,000,000.

### **How many people can I invite?**

We can seat and lodge about 150 adults comfortably.
