# THE SUSAN L. CURTIS FOUNDATION YOUTH DEVELOPMENT PROGRAMS: CAMP SUSAN CURTIS AND CSC LEADERS

Join us **August 12, 2019** for the Susan L. Curtis Foundation Golf Tournament! Since 1974 Susan Curtis Foundation youth development programs have provided an outdoor residential learning & recreation experience for ~17,500 economically disadvantaged Maine youth.

"I know whatever goals I set I can achieve, and I know I can because of the confidence Camp Susan Curtis has instilled in me.

Next year, I will be attending the Illinois Institute of Technology, working towards my Bachelor in Architecture, achieving more goals and following my dreams.

Camp Susan Curtis has given me a community that will always support me, a family I can always come home to, and a future brighter than I could ever imagine. (Jalion)

Every CSC youth is sponsored through donations. Qualifying youth from all over Maine are referred through their schools and begin as early as 3<sup>rd</sup> grade, returning year after year to learn skills they need for success in school, and on into the workplace: 99% of long-term\* participants finish high school and 82.5% go on to college or other forms of higher education (contrasted with 78% & 48% of like-resourced students statewide, respectively.)\*

**The Mission** of the Susan L. Curtis Foundation and Camp Susan Curtis is to ensure that economically disadvantaged Maine youth develop the individual character, self confidence, and skills essential to becoming independent, contributing citizens.

\*Of those who've attended at least 4 years and then completed leadership training. Comparison statistics: GradNation; Maine.gov; Mitchell Institute.
